EXECUTIVE DEPARTMENT
Somerville, Massachusetts

S. LESTER RALPH
Mayor

William D. Conway

The Honorable, the Board of Aldermen
City of Somerville
Massachusetts

Gentlemen:

Pursuant to Section 16 of the City Charter, I return herewith an Ordinance of October 11, 1973, enrolled January 17, 1974j relative to taxicabs with my objections.

After conferring with the City Solicitor, I have determined that the current wording of the Ordinance is inaccurate, and will not carry out your obvious intent. The date of taking effect of the Chapter referred to in this Ordinance is November 29, 19&3, while the obvious intent is to use a current 1974 date as the date from which to compute license limitations.

The City Solicitor has indicated that he would be more than happy to assist in the drafting of this ordinance in proper form, at your request, I suggest that you refer this matter to him for his immediate attention. The City Solicitor has also asked me to point out that, under Section 4-23 of the Code of Ordinances, all proposed ordinances should be drafted by the City Solicitor, precisely to avoid problems such as this,

I therefore ask you to confer with the City Solicitor in redrafting this Ordinance,

Respectfully yours,
S, Lester Ralph

S. LESTER RALPH
Mayor

16 October 1974

The Honorable, the Board of Aldermen
City of Somerville
Massachusetts

Re: Petition 127006
Petition 127007

Gentlemen:

I am returning with my veto the above petition for a curb cut at 304-306-305 Broadway and 10 Marshall Street and the petition for an outdoor parking license at the same address.

This Administration has been attempting for the past five years to encourage the upgrading of property throughout this community, and this particular area is one of the most blighted and discouraging sites in the entire community.

I hope this Honorable Board will look for some evidence of good faith when there is a request by property owners for permission to perform certain acts on their property, and I would urge his Honorable Board to sustain my veto, so that the owners of this property might realize that there are some basic standards of decency

William J. Donovan

which we have a right to demand. If the owner choses not to develop the property to its best use, I do not believe the city should support their low standard.

Respectfully yours,
S. Lester Ralph

EXECUTIVE DEPARTMENT
Somerville Massachusetts

S. LESTER RALPH
Mayor

7 November 1974

The Honorable, the Board of Aldermen
City of Somerville
Massachusetts

Gentlemen:

I am returning with my veto the Order of October 31, 1974, accepting Chapter 41j Section 9SB of the Massachusetts General Laws, I also enclose a letter from Chief of Police, Thomas J, O'Brien, with reference to the subject,

Members of this Honorable Board, myself, and, I am certain, reasonable people throughout this community are concerned about having the best possible police protection in Somerville, The difficulty with the proposed law is that it does not provide for dealing with problems at the time of day or night help may be most needed.

There are several steps currently being taken to assist in finding a proper resolution:

William J. Roman

1. Determining the number of foot patrolmen necessary, along with the hours and locations most beneficial.
2. Determining whether or not the present manpower is being effectively utilized, or whether we could hire more civilian personnel to free police personnel for more specific police functions.
3. Under the new C.E.T.A. Funding, we shall be able to hire police personnel without adding the approximately \$3»00 tax increase implementing Chapter 4-1 would involve. We are currently studying the grant guidelines and Civil Service regulations in preparation towards hiring more men.

It is our intention and hope to have all of these questions resolved by the end of December, and a report will be then sent to this Honorable Board.

Respectfully yours,
S. Lester Ralph
